## **6. CHANGES TO APPLICATION**

Grants can only be used for the purposes outlined by an organization in their grant application, and as approved by Erie County. Erie County acknowledges that projects sometimes change as they develop or because other problems or issues arise. If, before or during implementation, any significant changes need to be made to a project's scope or scale, or if a project's timetable is significantly delayed, this must be discussed with Erie County in advance and written approval obtained for any agreed variations. You must inform us immediately of any changes to your application.

Where agreement to variations is not obtained by the organization, Erie County reserves the right to suspend future payments, or to reclaim any monies that have not been utilized for the purpose they were given.

Erie County reserves the right to hold back payment of a grant or to reclaim a grant, in whole or part, if an organization fails to adhere to these terms and conditions, or if it is discovered that the application or supporting documents submitted by the organization gave false or misleading information.

You must inform the Administrative Officer of any complaints received.

## **7. LEGISLATIVE ISSUES**

For grants involving the employment of freelance staff and/or other individuals, Erie County expects individuals to be recruited using good employment practice and ensuring compliance with equalities and employment legislation.

Erie County requires all funded organizations to adhere to all relevant health and safety legislation, including the carrying out of risk assessments.

**8. AVAILABILITY OF RECEIPTS**

**Funding recipients are required to keep receipts for expenditures of all RAFC Grant funds.** The receipts are not to be submitted with the Final Report, but should be available for inspection by the RAFC should any questions arise about the expenditures listed on the Final Report.
